

ACT IT OUT THANKSGIVING EDITION

Act like a turkey who just spotted the farmer.

Be a mashed potato getting scooped onto a plate.

Act like you're carrying a giant, heavy turkey to the table.

Pretend you're a pumpkin getting carved.

Act like a squirrel stealing a nut from a picnic.

Be a parade balloon floating down the street.

Pretend you're carving the turkey with a very dull knife.

Act like you just ate WAY too much stuffing.

Be a pie crust being rolled out flat.

Act like a pilgrim trying to use a cell phone.

Be a dinner roll fresh out of the oven.

Hide from relatives who want to pinch your cheeks.

Be a cranberry stuck in the can.

Act like you're falling asleep on the couch after dinner.

Pretend you're a leaf falling into a big pile.

Act like you're racing to grab the last roll.

Be a chef whose gravy just exploded.

Pretend you're a scarecrow coming to life.

Act like a cat sneaking up to steal the turkey.

Stir a giant pot that's way too heavy.

Act like a kid at the kids' table who was told to sit still.

Be a turkey trying to blend in with a flock of chickens.

Act out making a wish on the wishbone.

Be a football player scoring the winning touchdown.
