

THE WINTER WONDERLAND

GAME MENU

Order up some cozy fun. Pick one from each course!

1. WARM-UPS

Snow Day Dream: if school and work were canceled for a snow day, what's the first thing you'd do?

Cocoa Order: describe your perfect hot chocolate, with toppings. Everyone votes on the wildest one.

Cold-Weather Confessions: what's the silliest thing you've done to stay warm?

Winter Storytime: share your favorite winter memory from when you were little.

2. MAIN EVENT

Snowman Builders: take turns adding one body part or accessory to an imaginary snowman. Whoever adds the silliest one picks the next game.

Pass the Story: start with "It was the coldest night of the year when a penguin knocked on our door..." and everyone adds one sentence.

Winter Charades: act out ice skating, shoveling snow, a snowball fight in slow motion, or a penguin on a sled. The group guesses!

Cozy Scavenger Hunt: find something fuzzy, something red, something that keeps you warm, and something that smells like winter.

3. FLURRIES

Tongue Twister: say it three times fast: "Six slippery sleds slid softly."

Blindfold Drawing: draw a snowman with your eyes closed. Everyone votes on the best snowman.

Penguin Walk: walk across the room like a penguin carrying an egg on your feet. Don't drop it!

Freeze Frame: strike your best frozen statue pose and hold it. The first person to giggle is thawed.

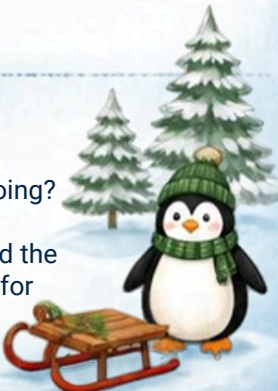

4. HOT COCOA

Warm Wishes: whisper one wish for the new year to the person next to you.

Kindness Snowflake: name one kind thing someone did for you this winter.

Tradition Talk: what's one family tradition you hope we never stop doing?

Gratitude Marshmallows: go around the room and name one thing you love for every marshmallow in your mug.

Stay cozy! Make it a tradition.
